There was a proposal of the Municipal Commissioner, Bangalore City, as far back as 11th January 1943 to -- absorb B N Venkatasubba Rao in a general vacancy on a pay of less than Rs 20/- as he had not passed the S S L C. examination The Government agreeing with the Public Service Commissioner said that the proposal may be renewed when there was a suitable general vacancy - obviously a vacancy for which his qualification would fit in (Vide Government Order dated 8th April 1937) But the present proposal of the Municipal Commissioner goes far beyond the previous proposal It is opposed to the rules of recruitment for the following reasons -

1) the official does not possess the prescribed qualification required for the post

2) it involves the promotion of an official from inferior to superior service

In these circumstances the general vacancy referred to may be advertised and filled up as per rules of recruitment The case of B N Venkatasubba Rao may be considered in connection with a promotion vacancy
